

MTAM Meeting-7:00 p.m. Augsburg College, June 20th, 2013.

- I. Call to order 7:10 pm by Pete Meyer
- II. Approval of minutes-minutes approved
- III. Fall Conference Update-Christina Wood
 - a. Speaker Sharon Boyle is confirmed for October 5th. If we request that she do the vocal health component of the presentation as well as the improvisation component, she may want to partner with another presenter.
 - b. Venue-Some discussion of Schmitt music as a venue. It may be somewhat small (can supposedly seat 100 but comfortably maybe 70.), and we would ask people to go out and get their own lunch. Amy M. will go out to Schmitt's to evaluate the venue. The Veteran's home is not able to host us. Claire mentioned that her church may be able host us although parking may be an issue as the church is in Uptown.
 - c. To-Do-Christina will call Sharon and tell her that we would like to have a 5-hr CMTE just from her (rather than the 6-hour one with another presenter). Amy and Claire will continue to investigate venues.
- IV. Event Update-Mike Limbybliw
 - a. Dr. William Sears'(first editor of the Journal of Music Therapy) entire collection of books is being donated to Augsburg College. Augsburg will be hosting a reception for Margaret Sears probably on July 11th when she and the books arrive from Santa Fe New Mexico.
 - b. Elections-Vice-President, President –Elect, Treasurer, Secretary, and Public Relations are up for elections in the fall.
- V. Treasurer's Update-Beth

- VI. Friends of MT and Lifetime Achievement Awards-
