

Music Therapy Association of Minnesota Community Music Therapy Provider List

The purpose of the community music therapy provider list is to increase consumer access to music therapy services by providing contact information for board certified music therapists who serve their population in their geographic location. MTAM **does not** specifically recommend any music therapists on this list. We are providing information to consumers so they might find the best fit for their needs.

Learn more about music therapy at musictherapy.org or musictherapymn.com. If you have concerns about a music therapist, please contact the Certification Board for Music Therapists at 1-800-765-CBMT (2268) or info@cbmt.org.

***** Note - All therapists listed have Music Therapist - Board Certified (MT-BC) credential *****
