FEED MY STARVING CHILDREN

LIVING SPIRIT THERAPY SERVICES, LLC

2nd Annual Family Centered Volunteer Event

Friday November 8th, 2024

5:00 - 6:30 PM

401 93rd Ave NW, Coon Rapids, MN 55433

Our vision at Living Spirit Therapy Services, LLC is to build stronger communities... Some of the ways we aim to strengthen communities are by improving family and community connections. Another way is by instilling values of service in their youngest members. As such, we have selected an organization with the youngest volunteer age we could find (5). Last year we had multiple Kindergartners and their families with us which was fantastic! We also had several business owners providing a way to network!

Bring your colleagues, family*, partners, and friends and join us for a fun evening of community and service!
